# SA SOLUTIONS & 802 EC UPDATE

## NOVEMBER 2020

---

# MENTOR/IMAT

---

- Sync with myProject is experiencing issues that have caused duplicate/incorrect affiliation record, involvement levels, and roles. Some users have experienced inability to log in as well.
  - Manual cleanup has been conducted on several groups to address issues as they are reported
  - SA&IT team is working on improving the sync process
  - Sync was temporarily disabled on Oct 21 to prevent additional errors with target to resume by Oct 30

# MYPROJECT

---

- Known issues and release notes can be found on the myProject Help site
  - <https://sagroups.ieee.org/myproject-help/>
- Please send any issues to [standards-support@ieee.org](mailto:standards-support@ieee.org). Suggestions or other concerns can be directed to Program Management staff

# WEBEX

- IEEE SA has sunset Joinme as the web meeting offering and is now provisioning Webex licenses
- C/LM Webex Account Usage May 1 – July 23

# VOTING TOOLS

---

- Direct Vote Live used under technical Activities account for several meetings with positive feedback. All concerns/issues reported are being provided to the vendor for consideration.
- IEEE SA has obtained a license with account limits high enough to provide ongoing support for 802 groups. Single Sign-on integration is being tested as of Oct 22 and we are looking to have the account available for Nov Plenary meetings.
