802 Electronic Media 2023

- IEEE 802 Electronic Media 2023 Edition – 1.05G
- The distribution method (IMAT and iMeet Central) will be the same as in 2022
- The Executive Secretary will provide a list of those that have registered for the meeting to IEEE SA Staff on the Sunday prior to the start of the plenary meeting
  - The list will include email address and SA PIN
    -

Attendee Information

Fill out the information below, then click Next to continue.

*First Name

*Last Name

*Badge/Screen Name

*Email Address (as used in IMAT attendance)

*Affiliation

For more information about declaring an affiliation please click on the following link: https://standards.ieee.org/faq/affiliation.html

*IEEE SA PIN

If you do not remember or require your IEEE SA PIN please use the following link: https://imat.ieee.org/my-site/home

EEE 802

802 Electronic Media 2023 (contd…)

- IEEE SA Staff will upload the list to mentor
- An email will be sent to the individuals that registered for the IEEE 802 Plenary, inviting them to download the IEEE 802 2023 Standards Collection
- Individuals will be provided a link to mentor
  - Individuals will need to agree to terms of license agreement
  - Individuals will be able to download the file during the plenary week only
- NOTE: There will be no physical media available for 2023
- In case of any issues, please contact Jodi Haasz (j.haasz@ieee.org) or Christy Bahn (c.bahn@ieee.org)

Accessing the eMedia

- The user will be directed to the License Agreement
- The user must agree to the terms in order to proceed by clicking on "Agree and Proceed to Download"
- After clicking the link, the user will be directed to login to mentor (only users that registered for the 2023 802 Plenaries will be able to login to access the file)

Accessing the eMedia (contd…)

- The user will be directed to the link to download the file, along with instructions
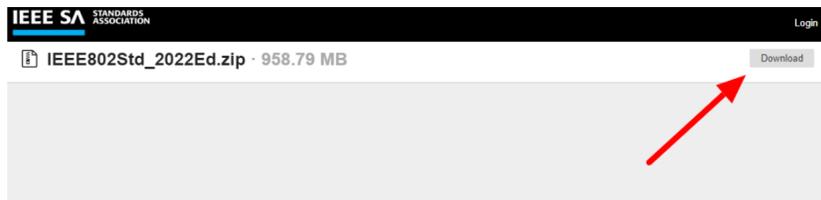

The link below directs you to an external site to download the file:

Click here to download the 802 2023 Electronic Media (Zip file, 1.05G)

Password: ███████████ **(password is case sensitive)**

Having Trouble? Try our alternate download site

After being directed to the external site, please click on "Download" (as shown in the example below). You will be prompted for the password to receive the file.

- Once the user clicks on "Click here", they will be prompted to enter a password to download the file
  - The password must be typed in (it cannot be copied and pasted)
- **The 802 eMedia will only be available for download during the 802 Plenary week**
