

SA SOLUTIONS & 802 EC UPDATE JULY 2024

DCN ec-24-0143-00-00SA

MENTOR/IMAT

- Sync with myProject still only functional for 1-way updates.
 - Issues were reported and we are investigating options for improvement
 - Already implemented: Update user email and employer fields in both systems to use most recent updated value
 - Potential improvement: If SA PIN values are included in the roster uploads, key on this value instead of email. This will ensure more accurate updates if emails change after list is downloaded.
 - Please report all issues to standards-support@ieee.org
