Accessing the IEEE 802 Electronic Media

EEE 802

Accessing the eMedia

- During the IEEE 802 Plenary, the IEEE 802 plenary registered participant will receive an email to access the IEEE 802 eMedia and will be directed to the License Agreement

- The user must agree to the terms in order to proceed by clicking on "Agree and Proceed to Download"

- After clicking the link, the user will be directed to login to mentor (only users that registered for the 802 Plenaries will be able to login to access the file)

Accessing the eMedia (contd…)

- The user will be directed to the link to download the file, along with instructions
> **The link below directs you to an external site to download the file:**
>
> **Click here** to download the 802 2023 Electronic Media (Zip file, 1.05G)
>
> **Password:** ███████████ **(password is case sensitive)**
>
> Having Trouble? Try our alternate download site
>
> **After being directed to the external site, please click on "Download" (as shown in the example below). You will be prompted for the password to receive the file.**
>
> **IEEE SA** STANDARDS ASSOCIATION   Login
>
> 📄 IEEE802Std_2022Ed.zip · 958.79 MB   Download

- Once the user clicks on "Click here", they will be prompted to enter a password to download the file (found directly below the link)
  - The password must be typed in (it cannot be copied and pasted)
  - The password can be found directly below the link
- In case of any issues, please contact Jodi Haasz (j.haasz@ieee.org) or Christy Bahn (c.bahn@ieee.org)
- **The 802 eMedia will only be available for download during the 802 Plenary week.**
